Manpower®

At Manpower, we are dedicated to delivering high-quality employment opportunities, advanced training programs, and effective workforce solutions. As one of San Diego's largest employers, we are proud to employ nearly 2,000 San Diegans at companies throughout the county. Being a locally owned and operated company, we have a strong commitment to our community, ensuring that individuals have access to comprehensive assessments, skill development and meaningful employment.

We believe in fostering partnerships with businesses to create innovative staffing solutions, including temporary and permanent placement, as well as payroll and HR consulting services. Our goal is to empower individuals by enhancing their career prospects while supporting companies in achieving their workforce goals. At Manpower, we are passionate about making a positive impact on the local economy and contributing to the success of both job seekers and businesses.

Why Manpower?

You Deserve Quality & Affordable Staffing Solutions.
Talent acquisition and management is one of the largest expenses that your business incurs- and who you hire has a direct impact on your bottom-line. As the world's leading provider of next-generation staffing services, Manpower draws from unparalleled resources and expertise to offer you innovative, quality workforce solutions, and provide you with incomparable value. It's our job to keep your company on track with custom HR Solutions.

Your Plate Is Already Full.
As a hiring manager your plate is already full. Staffing is consuming of both time and resources. We live, work and breath staffing - so you don't have to! With one of the largest candidate pools, we are poised to deliver results regardless to how central or remote your location. Our staffing specialists are committed to staying current on new techniques and trends - all with the purpose of delivering you the best possible candidates.

One-Size-Fits-All Doesn't Work For You.
Your business, culture and needs are different than anyone else - which is why we work closely with you to understand your specific business needs and goals so we can deliver the candidates that will have the greatest impact on your business. Whether you are a five-person firm or a Global 500 company, we can customize a solution to meet your unique business needs.

San Diego Business Journal BEST PLACES To WORK 2024 WINNER

We are honored to be chosen as one of the Best Places to Work in San Diego and grateful to our entire team that made this achievement possible for us.

Alterome Therapeutics is a San Diego biotechnology company committed to developing transformative medicines for patients with cancer. Our Mission is to discover precise therapies and inspire hope for individuals affected by cancer (including patients, families, caregivers, and advocates). We are driven by the urgency of our mission and guided by our core values. We believe that the success of our team is due to our relentless pursuit and remarkable execution. We know that we are redefining cancer treatment and will push the breakthroughs for patients further by working together. We believe that every cancer patient deserves to have a drug to treat their disease and extend their lives, and this Mission defines Alterome's identity.

LONGBOARD PHARMACEUTICALS

We are honored to be chosen as one of the **Best Places to Work in San Diego** and grateful to our entire team that made this achievement possible for us.

At Longboard Pharmaceuticals, we are more than just a clinical-stage biopharmaceutical company. We are a team united by a shared mission: to develop novel, transformative medicines for neurological diseases, with a special focus on rare conditions. Our commitment to this mission makes Longboard an exceptional place to work.

Our driving force is the people whose lives are affected by neurological and rare conditions. We are dedicated to transforming the lives of patients, families, and caregivers. The individuals living with, supporting, and treating those with neurological conditions are at the heart of everything we do. Their needs and journeys inspire us to push the boundaries of science and medicine.

At Longboard, we foster a company culture that is both collaborative and welcoming. Our team works together to create a culture that everyone is proud to be a part of and where everyone feels valued. We believe that a supportive and inclusive workplace is essential for innovation and success. Together, we can create a future where ~~devastating~~ neurological conditions are no longer devastating.

Our Mission is Your Mission

Mission Edge is composed of fun, mission-minded and hard-working people who have a passion for social impact and making a difference. Our secret sauce is our culture, and we are hyper-focused on protecting and maintaining it, which is reflected in the quality of our work and engagement of our employees and why we are consistently voted as one of the **Best Places to Work** and one of the **Best Nonprofits to Work For** by The San Diego Business Journal. We leverage our individual backgrounds, skills and experiences to help other nonprofits scale their organizations and ultimately create more positive social change via their missions *and* we enjoy the journey while doing so.
